MISSION

To recognize the important value of diversity in our community, to encourage policies, activities and thought-provoking discussion which support cultural understanding, mutual respect and inclusivity, and further the enhancement of our community as one where cultural and physical diversity is celebrated as an important asset.

We recognize the many facets of a diverse society may include, but are not limited to, race, religion, ethnicity, gender, socio-economic level, mental and physical differences, age, and sexual orientation.

Dear Sponsor,
The City of Marysville Mayor's Diversity Advisory Committee is excited to announce its preparations for the first-ever Marysville Multicultural Fair!

We are proud to offer this new event to bring hundreds of people together in a celebration of the many diverse nations, languages and cultures of the world, through food, art, music and dance!

This year's event will be **Saturday, Sept. 28** from 10:00 a.m.-3:00 p.m. in Comeford Park, in the heart of downtown Marysville.

Only through community support and generous contributions from sponsors like you will we be able to put on a vibrant celebration. Please join us this year as we invite your company or organization to become one of the many proud festival sponsors supporting diversity and cultural understanding in our local community.

For businesses and organizations, we offer sponsorship packages and advertising opportunities to support the festival. Our Sponsor Packages advertising opportunities include a wide range of possibilities, from exposure on media related to the event, to recognition in the festival program.

We are confident that with your help and participation, the Multicultural Fair will be a tremendous success. We look forward to sharing the music, sights and sounds of diversity with you and our community.

If you have any questions, please feel free to contact Diversity Committee Staff Liaison Doug Buell at (360) 363-8086, cell phone (425) 754-3641 or email dbuell@marysvillewa.gov.

As a growing community, Marysville looks to pride itself on being a welcoming, more prosperous and livable city, one that learns to celebrate our differences and leverage them to become our strengths. It is more than *just the right thing to do*; diversity will enrich our community. We invite you to join us in this endeavor.

Sincerely

Jon Nehring
Mayor
