COMMERCIAL LANDLORD/TENANT STATEMENT FOR UTILITY ACCOUNTS

- Billing your tenant for utilities is a courtesy provided by the City of Marysville. If your tenant's services are disconnected for nonpayment three times, the account will revert to the owner for billing and will remain so as long as that same tenant is in the home. The City reserves the right to put this account back into owner's name if the tenant proves difficult to deal with.
All accounts, including previous tenant's account, must be paid in full and closed before a new tenant will be added to the account.
The responsibility of the owner/agent is to notify the City as soon as a tenant moves out or moves in to ensure appropriate billing to the correct party. If the City is not notified as to when a tenant has moved out, the account will revert back to the owner based on the information the City has and it will be the responsibility of the owner/agent to pay the appropriate balance on the account.
Please print clearly. Incomplete or illegible forms will not be accepted and will be returned.
Return completed forms to City Hall via fax, email utilitybilling@marysvillewa.gov, mail or drop off in person.
