Introducing our newest program....

MARYSVILLE READY NEIGHBORS!

This neighborhood preparedness program is geared towards families and neighbors in Marysville. Residents can use the program materials to prepare for disasters and emergencies no matter what type of housing you live in. Participation is free, flexible, and entirely led by your household's goals, interests, and schedules.

We want to thank and recognize *Glenwood Mobile Estates* (pictured above) for being the first neighborhood to participate in the new program!
